OBJECTIVE

As a skilled and experienced web developer, I have a track record of delivering high-quality and innovative solutions for clients across various industries. My expertise lies in developing responsive websites and web applications using the latest technologies, including Shopify and other programming languages including HTML5, CSS3, JavaScript, ReactJS, and jQuery. With a passion for clean and efficient code, I am committed to delivering projects on time and exceeding client expectations. In addition to my technical skills, I am an excellent communicator and collaborator, able to work effectively with cross-functional teams and stakeholders.
