Shopify	Responsive Design

Personal Info.

DOB: Nov 1st, 1999
Place of Birth: Pittsburgh PA, US
Nationality: Egyptian / American

SUMMARY

Bridging the gap between theory and practice! University teaching assistant and skilled web developer, utilizing academic knowledge to build user-centric web experiences. Adept at explaining complex concepts and translating them into functional, responsive websites and applications. Leverage expertise in HTML5, CSS3, JavaScript (ReactJS, jQuery) and development frameworks to empower learners and deliver innovative solutions for diverse clients.

PROFESSIONAL EXPERIENCE

Junior Software Engineer, Sep 2024 – Present ClixSys

Design, develop, and maintain responsive websites using modern front-end technologies and back-end technologies. Implement SEO best practices and optimize websites for performance, accessibility, and security. Integrate third-party APIs and services (payment gateways, social media, analytics tools). Design, build, and maintain mobile applications for iOS and Android platforms using native or cross-platform frameworks.

Graduate Teaching Assistant, Sep 2022 – Present Arab Academy for Science, Technology & Maritime Transport – AASTMT

Leveraged strong teaching skills to develop and deliver engaging tutorials for undergraduate courses in HTML, CSS, JavaScript, jQuery, Flutter, PHP, Python, and Java. Actively participated in departmental peer advising/mentoring programs, fostering a supportive learning environment for students.

Frontend Web Developer, Feb 2019 - Present Freelance – itsHaddy.github.io

Experienced Web Developer adapts in all stages of advanced web development. Knowledgeable in user interface, testing, and debugging processes. Bringing forth expertise in the design, installation, testing, and maintenance of web systems. Able to effectively self-manage during independent projects, as well as collaborate in a team setting.

Lecturer, Sep 2022 Amazon Web Services (AWS)

Delivered technical training workshops for the A Climate Change Hackathon, a pan-regional event targeting undergraduate students. Led instruction during the Climathon Technical Enablement week (September 4th-8th), providing comprehensive courses in Web Development and Cloud Foundations (AWS).

Teaching Assistant, Jul 2022 – Aug 2022 Egypt University of Informatics, Cairo, Egypt

Designed and facilitated engaging tutorials for undergraduate level "Programming in Python 1" course, fostering a strong foundation in programming concepts.

EDUCATION

Master of Business Administration (MBA), 2023 – Present

Arab Academy for Science, Technology & Maritime Transport – AASTMT

Majoring in E-Business.

Grade Point Average (GPA): 3.99 – “Excellent with High Honor”.

Bachelor of Business Information System, 2018 – 2022

Arab Academy for Science, Technology & Maritime Transport – AASTMT

Grade Point Average (GPA): 3.95 – “Excellent with High Honor”.

Valedictorian – top of classmates.

Granted a recognition award for the outstanding performance in education.
